

The 100 Marriage Assessment - Series 1

Report for Deborah Metts

Completed on May 29, 2025

Thank you for completing The 100 Marriage Assessment - Series 1. This report provides insights into your perspectives on marriage and relationships based on your responses to our comprehensive questionnaire.

Your assessment score reflects your perspectives on marriage, not a judgment of readiness. Higher percentages indicate alignment with more traditional views, while lower percentages suggest less traditional approaches. Neither is inherently better—these simply reflect different value systems and approaches to marriage.
