Birthday: 1988-04-18
THM Arranged Marriage Pool: Not applied
Date: 4/21/2025

Overall Assessment Score

Understanding Your Score: Your assessment score reflects your personal judgment of readiness. Higher percentages indicate alignment with traditional values, while lower percentages suggest less traditional approaches —just different expectations.

- The most important consideration is how your assessment aligns with someone you are married to or discerning marriage with.
- The closer the percentage (with your spouse), overall, the more aligned you will be.

Your Psychographic Profiles

Balanced Visionary (General Profile)

You have a thoughtful, balanced approach to marriage. You value

perspectives, seeking harmony between stability and flexibility.
rounded understanding of marriage dynamics with a natural ab
core values.

Your Gender-Specific Profile

Structured Leader (Male-Specific Profile)

As a Structured Leader, you bring organization and clarity to relationships. You value defined roles and clear communication. Your thoughtful approach to leadership means you provide stability while still valuing input from your spouse. You excel at creating systems that help marriages thrive.

Section Scores

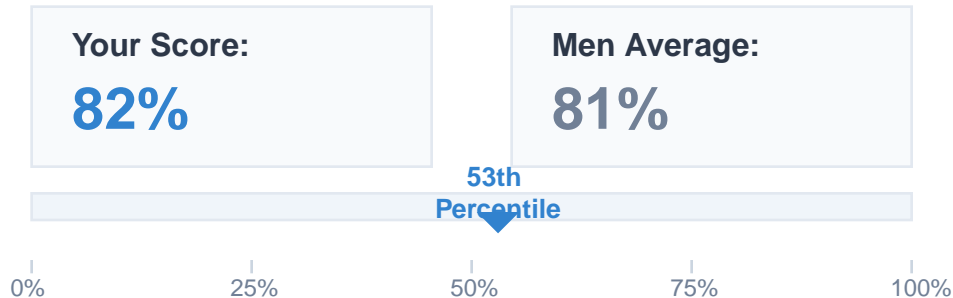

Each section score represents your perspective in a specific relationship area. These scores determine your psychographic profiles. Higher percentages typically indicate more traditional views, while lower percentages suggest less traditional approaches.
